

FOR SALE

960 QUEEN ST W, TORONTO

\$299,000

THE BURGER SHOP

Premium quick service restaurant (QSR) located on the sunny north side of Queen West between Ossington and Shaw, one of Toronto's most sought-after dining and retail strips. The space is approximately 1,000 sq ft and features a brand new build-out with a modern ecologizer system, a new 6 ft commercial hood, and a large walk-in fridge. Designed to be easy to staff and manage, the layout includes an open-concept kitchen and seating for 24 guests.

Currently operating as a very popular burger QSR, the business is available for rebranding into a different concept, cuisine, or franchise. An application is already in place for a liquor license, offering additional upside for a new operator. The clean, modern design makes this a turnkey opportunity suitable for a wide range of quick service or fast-casual concepts.

The lease offers strong long-term security with 9 + 5 years remaining at a below-market gross rent of \$7,100 per month including TMI. This is a rare chance to secure a premium Queen West location with excellent fundamentals and minimal upfront build-out required. Please do not go direct or speak to staff or ownership.
