## BUILDING DETAILS

Located within CF Masonville Place in North London, this unit benefits from one of the highest traffic retail nodes in the city, anchored by major national tenants and a strong mix of fashion, service, and food offerings. The mall draws consistent daily traffic from surrounding residential neighborhoods, Western University, and regional shoppers, creating steady demand throughout the week and peak volume on weekends.

The space offers excellent visibility with both interior mall frontage and exterior exposure, providing multiple access points and strong branding opportunities. The efficient 764 Sq Ft layout is designed for smooth customer flow and quick service operations, with access to common area seating that expands overall capacity without increasing footprint.

Built with a modern QSR setup, the unit includes a clean and updated buildout with no hood requirement and infrastructure that supports a variety of concepts. Easy to operate and maintain, this is a turnkey opportunity in a premier retail environment with flexibility for continued operation or rebranding into another cuisine or franchise.
