INDEPENDENT GLASS 2000

Independent Glass 2000 is a well-established, privately owned glass and window supplier and installer, serving commercial clients across a wide range of industries, including hospitals, car dealerships, movie theatres, offices, and more. In operation since 1988, the company has built a strong reputation for quality and reliability, with a long history of consistent profitability.

The business offers excellent and predictable sales, established margins, and significant profitability on top of ownership salaries. It operates from a Whitby industrial unit with a very reasonable gross rent of \$10,000 per month on a 5 + 5-year lease, providing a solid foundation for continued growth. Training will be provided to ensure a smooth transition for the new owner.

This is an exceptional opportunity for an owner-operator looking to acquire a highly profitable, turnkey business with a loyal customer base. Prospective buyers are asked not to approach staff or ownership directly.
