BUILDING DETAILS

Located on the famous Preston Street in Little Italy, Ottawa's Prescott benefits from one of the city's strongest hospitality and entertainment corridors. Surrounded by established restaurants, cafés, nightlife, and major residential development, this stretch of Preston Street continues to attract locals, tourists, students, and professionals throughout the year. The rooftop patio known as The Porch on Preston has become a destination in itself with outstanding exposure and atmosphere overlooking the neighbourhood.

The 10,000 Sq Ft layout is designed for high volume operations with multiple service areas, large seating capacity, and excellent flow for events, sports viewing, nightlife, and private functions. The commercial kitchen infrastructure includes large hood systems, walk-in refrigeration, and extensive production capabilities suitable for almost any food and beverage concept. Licensed for 600 including the rooftop patio, this is one of the larger hospitality venues available in the Ottawa market.

The property features exceptional visibility, signage, and frontage in a historic standalone building with major street presence. Strong infrastructure, modern hospitality systems, and extensive improvements completed over the years allow for continued operation as a sports bar and entertainment venue or conversion into a different restaurant, franchise, event space, or mixed hospitality concept. Rare opportunities of this scale and reputation seldom become available in Ottawa's urban core.
