DANG SMOKE BBQ

Dang Smoke BBQ is a popular and profitable food truck business with an established reputation and a strong event-driven operation. The business focuses on weddings, private parties, corporate functions, festivals, and other catered events, providing a proven opportunity for an owner-operator looking to step into a recognizable BBQ concept.

The business operates from a fully built-out Ford DSC food truck equipped with a 6-ft commercial hood and a Cookshack FEC 240 smoker. With approximately 50–60 events per season and strong income above and beyond ownership salary, this is an attractive turnkey operation with an established booking and event model.

Full training will be provided to ensure a smooth transition for new ownership. An excellent opportunity to acquire an established mobile food business with no traditional restaurant lease or fixed location required. Please do not go direct or speak to staff or ownership.
