BUILDING DETAILS

Princess Street is the major street in Kingston and it is home to over 100 restaurants from the St. Lawrence all of the way into the suburbs of the city. Surrounded by businesses, offices, tourists, residential, and of course the enormous student population.

This particular strip is home to many new condo developments, student housing, and many other restaurants and fast-food restaurants with nearly constant foot traffic on the street.

Property Details: This is essentially a brand-new buildout as the previous restaurant was completely scrapped for new leaseholds, systems, and equipment. The commercial unit shows like a brand new building.

Great signage and 1 private parking space for ownership or staff is included in the rent.
