BUILDING DETAILS

The West Mall offers an excellent Etobicoke location surrounded by established residential neighbourhoods, businesses, schools, and major employment areas. Excellent access to Highway 427 and nearby major routes helps draw customers from across Toronto's west end, while the shopping centre provides built-in traffic and convenient parking.

This compact 450 Sq Ft unit is designed for efficiency, with the mall providing customer seating and common-area amenities without the need for a large dining room. The small footprint combined with an established QSR setup makes this an attractive operation for hands-on ownership.

Excellent visibility, abundant mall parking, strong surrounding demographics, and easy highway access make this a well-positioned location for the Pi Co. brand and its fast-casual model.
